REPORT INDEPENDENT AUDITORS' REPORT

To the Stockholders of
INTEGRATED BROKERAGE SERVICES, INC.

We have audited the accompanying statement of financial condition of Integrated Brokerage Services, Inc. as of December 31, 2003 and the related statements of income, changes in stockholders' equity, changes in liabilities subordinated to claims of general creditors and cash flows for the year then ended.

These financial statements are the responsibility of the Company's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Integrated Brokerage Services, Inc. as of December 31, 2003 and the results of its operations and its cash flows for the period then ended in conformity with principles generally accepted in the United States of America.

Our audit was conducted for the purpose of forming an opinion on the basic financial statements taken as a whole. The information contained in the supplementary schedules is presented for the purpose of additional analysis and is not a required part of the basic financial statements, but is supplementary information required by the Commodity Futures Trading Commission. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and, in our opinion, is fairly stated in all material respects in relation to the basic financial statements taken as a whole.

NOTES TO FINANCIAL STATEMENT**

December 31, 2003

1. Organization

INTEGRATED BROKERAGE SERVICES, INC. (Company) was incorporated on August 1, 1991 in the State of Illinois. The Company is registered with the Commodity Futures Trading Commission (the CFTC) as a futures commission merchant (FCM) and is a member of the National Futures Association (the NFA). The Company is engaged in soliciting and accepting orders for the purchase or sale of commodity futures contracts or commodity options. The Company carries customer positions on its books and uses other FCM's to execute and clear associated trades and positions.

2. Capital stock

	Authorized	Shares		\$
		Issued	Outstanding	
Class A – no par, voting	1,000	183	183	17,050
Class B – no par, non-voting	150,000	116,042	115,042	1,250,418
Class B – treasury		(1,000)		(100,000)

3. Summary of Significant Accounting Policies

a. Revenue Recognition

Commissions, revenue and related expenses on commodity and options on commodity futures contracts are recorded on the trade date.

b. Use of Estimates

The preparation of financial statements in conformity with Generally Accepted Accounting Principles requires management to make estimates and assumptions that affect the amounts reported in the financial statements and the accompanying notes. Management determines that the estimates utilized in preparing its financial statements are reasonable and prudent. Actual results could differ from these estimates.

4. Related party transactions

The Company owns one unit or 15.94% of Alliance Financial LLC. Alliance Financial LLC owns 114,986 common class B shares of the Company.

5. Subordinated borrowings

The Company has \$284,065 in borrowings subordinated to the claims of the general creditors.

Subordinated loan agreements, with an initial 3-year term, amount to \$150,950, including accrued interest that ranges from 7.6% to 10.15% per annum. By agreement, interest is not paid but increases the amount of the subordinated borrowings. The notes have been amended to state that requests for payment must be given at least 365 days in advance.

Secured demand notes amount to \$133,114 and accrue interest in a range from 5.00% to 10.15% per annum with the same covenants as the secured loan agreements. The market value of pledged collateral for these notes is in excess of the notes at December 31, 2003.

These loans consist of the following as of December 31, 2003:

Subordinated loans due to stockholders	\$ 273,406
Secured demand notes due to general creditors with collateral agreement	<u>10,659</u>
Total	<u>\$ 284,065</u>

6. Minimum capital requirements

The Company is subject to the minimum capital requirements pursuant to the regulations under the Commodity Exchange Act, as amended. At December 31, 2003 the net capital and excess net was \$1,139,230 and \$899,230, respectively. Management has no plans to withdraw funds that would render the company deficient of the required capital requirement.

7. Income Taxes

As of December 31, 2003, the Company utilized a federal tax loss carry forward, in the computation of income taxes, of approximately \$102,427; therefore no provision for income taxes is necessary.
